

LINC-NHC

Local Reentry Council

PROVING A PATH FORWARD

Our Services Include:

Network of Resources

Numerous stakeholders & agencies representing a diverse range of services such as housing, substance use treatment and faith-based communities offer support returning citizens

Job Development

Returning citizens can access job development through the LRC to assist in meeting their professional goals free of charge.

Advocacy

The council advocates on important issues to ensure that the voice of the justice-involved individual is heard

Education

Develop a public education campaign with the goal of changing public perception about people who are justice-involved individuals

Mission: *LINC-NHC Local Reentry Council's mission is to reduce recidivism and victimization, increase public and community safety, create a network of individual and organizations assisting returning citizens, maximize the use of existing resources and services; and develop innovative responses to address gaps in resources and services*
