

LOCAL REENTRY COUNCIL

Providing a Path Forward

Our Services

Network of Resources

Numerous stakeholders & agencies representing a diverse range of services such as housing, substance use treatment and faith-based communities offer support for returning citizens.

Job Development

Returning citizens can access job development through the LRC to assist in meeting their professional goals free of charge

Advocacy

The Local Reentry Council advocates on important issues to ensure that the voice of justice-involved individuals are heard

Education

Develop a public education campaign with the goal of changing public perception about people who are justice-involved

Our Mission:

LINC-NHC Local Reentry Council's mission is to reduce recidivism and create a network of organizations assisting returning citizens, maximize the use of existing resources and services; and develop innovative responses to address gaps in resources and services.
